Subject: amendments AB 598

Pam,

We spoke last week about drafting amendments for AB 598. I spoke to DCF and to Rep. Kerkman and we'd like 2 amendments for the bill drafted, please.

The first is the one we discussed, including the provisions of AB 450 as eligibility for WI Shares.

The second amendment is to remove the first part of the bill that eliminates dual certification. We're having some complications with this provision and we've decided to try address it in another way at a later time.

Thanks!!

Alison Morrell

3 Please note that Assembly Bill 450, in which the special occupational training pilot
4 program is created, has passed both houses but has not yet been signed into law.

5 Also note that the special occupational training pilot program is repealed on July 1,
6 2015. I did not include a repeal of proposed s. 49.155 (1m) (a) 7. in this amendment,
7 however, for the same reason that I did not include one in the bill for proposed s. 49.155
8 (1m) (a) 6.: it is possible that the employment of individuals in these programs will last
9 beyond the end date of the programs or that these programs will be extended. In any
10 case, both proposed s. 49.155 (1m) (a) 6. and 7. can be repealed, if necessary, as cleanup
11 in a later budget bill or in a revisor's bill.
